PRECAUTION

- Check all containers for leakage or breakage upon your receipt.
- After your receipt, promptly use the frozen cells and, if you don't use the cells upon your receipt, immediately place the cells in liquid nitrogen (preferably vapor phase) and use the cells within 30 days after shipment thereof.
- Handle and store the cells according to the applicable OECD Test Guideline's Protocol (TG No.442E).
- Check the function of the cells according to the acceptance criteria test (reference in TG No. 442E) when your first thawing and culturing. GPC **DO NOT** warrant any viability and functionality of the "re"freezing cells (re-frozen stock cells by purchaser and its transferees).

As evidenced by below signature, I acknowledge and agree with the applicable terms and conditions (TERMS AND CONDITIONS OF TRANSFER AGREEMENT OF GPC MATERIAL, dated February 9, 2018) and the contents of this Purchase Order (dated February 9, 2018).
